Raisings, Raisings & More Raisings

Nashville, Tennessee

Cabin Creek Timber Frames was on site most of the month of July in Nashville, TN. Where we raised a series of custom timber frame trusses and an octagonal roof system for the Ramsey-Daugherty Construction Company of Nashville, TN in conjunction with the Daniel Lee Architectural firm of Alexandria, Virginia. These timber frames were hand cut of white oak in our beamery in Franklin, NC prior to being raised.

The custom timber frame home for Margo & Fred Teed was raised this June. This elegant two story eastern white pine timber frame over looks their private lake. This new structure will house the families main living area and will attach to the guest quarters with a enclosed walkway. The family has been told by their General Contractor Mike Gerhardt that they should plan to move in this Labor Day .

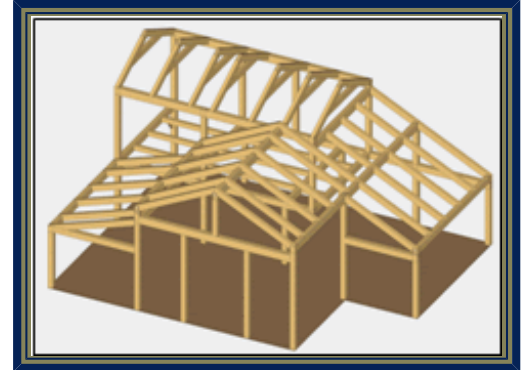

Cabin Creek Timber Frames raises new office complex and beamery

After much pulling of hair and gnashing of teeth. Cabin Creek Timber Frames raised their new timber frame office complex last week. The new offices and beamer are located at 6624 Georgia Rd., Franklin, NC 28734. We hope to have the offices finished and be up and running there by mid September. Our timber framers are cutting in their new beamery now.
