A few pictures of the timber frame portion on the new Macon County Public Library.

### ***Cabin Creek Timber Frames donates sign.***

***The timber frame sign of Douglas Fir was designed by Kevin Lanier, cut and installed by John Booker, donated by Dr. Joe and Jo Bell of Cabin Creek Timber Frames. The sign marks the entrance to the new Macon County Public Library located at 81 Siler Rd., Franklin, NC***

There is only one true way to appreciate Macon Counties new Public Library and that is to visit the library

**yourself!**

If you like what you see there, please feel free to give us a call, make an appointment to meet with us, tour our beamery and our own timber frame home.—Dr. Joe & Miss Jo***

## ***Airport Design Center Fletcher, NC***

***The Airport Design Center is to be Western North Carolina's first extensive display of the area's finest Building Supply Products for the home—set in this unique business store front complex. A unique opportunity for those involved in Western North Carolina's building industry, as well as potential homeowners, to view the newest, most innovative products available—and learn more about the talented professionals that can make your dream home a reality. May 2007 occupancy expected. Spaces were customized by the general contractor to meet the their individual clients needs.***
